

QUICK-START GUIDE / IRONCLAD RESOURCE CENTER

Ironclad SIEM Demo Access Guide

Make the most of your 14-day Ironclad SIEM evaluation with up to 10 installed agents.

Prepare your evaluation

Quick-Start Guide guidance for building a stronger, more repeatable security operation.

- Select representative systems and define success criteria
- Choose priority log sources and investigation scenarios
- Invite the stakeholders who will assess the platform

Explore the platform

Quick-Start Guide guidance for building a stronger, more repeatable security operation.

- Review visibility, alerts, searches, and investigation context
- Test security posture views for ports, services, and processes
- Create an example operational or executive report

Close the evaluation

Quick-Start Guide guidance for building a stronger, more repeatable security operation.

- Compare findings to initial goals
- Document integration, retention, and support questions
- Review outcomes with your Decian security specialist
